We the elected panchayati raj representatives of Sukinda and Dhangadi block of Jajpur district of Orissa, wherein Kalinganagar Industrial Complex in located once again appeal for peace and sustainable development through industrilisation in our locality. Although majorirty of the villagers have accepted the rehabilitation package, some miscreant land lords are deliberatley creating unrest in Kalinganagar locality in the name of land agitation. The leaders who are are today involved in land agitation are themselves LAKHS of rupees every month by extorting money from the local industries. They have created a Red Corrdior inside their vilalge wherein no outsiders allowed expect for their naxal and maoist sympathisers.

We once appeal to the District administartion and State Government to take stornig decisive action against the naxal and maoist supported Bistapana Birodhi Jana Mancha in Kalinganagar and this only will bring in peace in our locality and will help better industrial and devclopmental climatic in Kalinganagar.

We further appeal to all Odisha Loving Persons not to support the Biatapana Birodhi Jana Mancha in Kalinganagar, as they are working against the development of Jajpur and Orissa for their own self interest. This will help is devlopment of our locality.
