

IS THIS THE PEACEFUL AGITATION BY BBJM AT KALINGANAGAR ?

Raimuni Deogaon gasping for life at Hi- Tech Hospital, Bhubaneswar

On 27th July 2010, at Kalinganagar, the goons of BBJM attacked Raimuni Deogaon, a rehabilitated tribal lady and injured her critically. This has been going on for years. Whenever, the BBJM leadership, found themselves losing support from the tribals, they resort to violence, on their fellow tribal. In the name of protecting tribal interest, they try to terrorise the tribals to support their unreasonable agitation. It may be noted here that in the past the members of BBJM have resorted to this tactic to destabilize the peace.

1. Ms Basant Badra, a tribal lady of Gadapur was molested by miscreants of BBJM in Duburi hat in front of more than 1000 people. The High Court has advised for appropriate action on the matter.
2. One tribal girl from Mayurbhanj on visit to Gadapur (in Kalinganagar) was gangraped by the supporters of BBJM and some of them have been arrested.

The above are some testimonial of atrocities on tribal community by BBJM, and there are more than 100 similar incidents.

Through this message we appeal to all not support the miscreants of Bistapana Birodhi Jana Manch and their vested interest supporters. We further appeal to all to provide us support to the industrialisation of Kalinganagar which apart from providing us employment and livelihood will improve the quality of life of Jajpur district and Orissa.
