The Chairman,
Human rights commission,
BBSR.

Sir,

I Birasingh Gaipai S/o Sidheswar Gaipai of village Gobarghati, Kalinganagar want to bring the following things into your kind notice. My mother Late Smt. Balema Gaipai aged 65yrs was staying with me after being displaced in Kalinganagar. On 25th of March 2010 she went to the village to bring some house hold materials. While returning back she was stopped by some miscreants of Gobarghati village to return back. She was ill at that time. As she was not allowed to return back, medical treatment could not be provided at proper time. She died on 5th April 2010 because of this unlawful and cowardly act of these miscreants.

I had a big personal loss due to untimely death of my mother. As many complaints registered earlier in various incidence at Kalinganagar Police Station by the displaced families remain uninvestigated, I thought it will be appropriate on my part to request you to kindly investigate the matter from your end and recommend to the Govt. of Orissa to take proper action, for which I will remain grateful to you forever.

Yours faithfully,

Birasingh Gaipai
