

DT. 27.11.2010

Shri Naveen Pattnaik
Honble Chief Minister
Orissa

Shri Bhupinder Singh
Honble Leader of Opposition
Orissa Legislative Assembly

Respected Sirs,

We the Sarpanches, samiti and Zilla Parishad members (PRIS) of Kalinganagar locality of Jajpur district want to put forth the following points for immediate direction and action for the benefit of the rehabilitated families of Kalinganagar

1. Around 900 tribal families (out of 1200 families) have been voluntarily displaced and accepted the rehabilitation package in Chandia , Gobarghati , Khurunti and Gadapur Mouzas of Kalinganagar.
2. More than 400 tribal rehabilitated families (out of the 900 families) have not been able to take out their house hold items, structures including trees from their backyard due to life threat given by the members of so called Bistapana Borodhi Janamancha residing in the above locality.
3. Honble High Court at Cuttack has already given direction to the district authorities of Jajpur to help the rehabilitated families in bringing out their house items from their old village.
4. In spite of the above directions, till date all the families have not been provided support for evacuating the house hold items from their old villages.
5. The members of Bistapana Birodhi Jana Mancha are constantly threatening the tribal villagers (those who are willing to accept rehabilitation package) inside the village not to accept the rehabilitation package.
6. Even the President of Bistapana Birodhi Jana Mancha, Shri Chakradhar Haibru (Sr) have separated himself from the violent activities of Bistapana Birodhi Janmancha and is participating in the industrialization and rehabilitation process at Kalinganagar

We the PRIs of Kalinganagar urge upon both government and opposition to advice for strong action against the members of Bistapana Birodhi Jana Mancha (BBJM) and facilitate the tribal villagers in Kalinganagar to accept the rehabilitation package voluntarily without fear from the BBJM and also help them in evacuating their household items from their orginal village with the help of district authorities.

Yours sincerely

Panchamandee Nayak
