WHY THE BISTAPANA BIRODHI JANAMANCHA LEADERS WANT KALINGANAGAR AGITATION TO CONTINUE ???

Shocking Reasonsof Rabi Jarika for information of ALL

After Chakradhar Haibri (Sr), the President of VVJM along with senior leaders accepted the state government compensation and rehabilitation package along with 850 families (out of a total of 1200 families), **the general tribals in Kalinganagar want peaceful and sustainable industrialisation.**

But why the balance 3 to 4 leaders of VVJM are not allowing it happen ?

THE REASONS ARE SHOCKING AND STRICTLY PERSONAL IN NATURE !!!!

Let us analyse the reasons of Rabi Jarika of Chandia for continuing the agitation

1. Dabar Kalundia has Rs 5 LAKH per Month contract in nearby industries in Jindals, Visa Steel, Rohit Ferro Alloys in Kalinganagar and he earns a neat amount of Rs 100,000 per month from the contract. Recently Jindals gave him Rs 20 lakh CHANDA to re-install a EHT Electric Tower, which is passing though his village in Chandia.
2. Orissa High Court has passed orders against him for molesting Basanti Badra – a tribal women in Open Market in Duburi.
3. Orissa High Court has directed action against Rabi Jarika in case of death of sanjoy Soi due to 18 months NH 200 blockade by Rabi Jarika and his other friends.
4. Orissa High Court has passed orders against Rabi Jarika in case of Jagabandhu Tamsay and his aged mother for dacoity, molestation attempt and attempt to murder.
5. Rabi Jarika is also a conspirator in the muder case of Sridhar Soy of Gobarghati
6. Rabi Jarika and his late brother have swindled about Rs 50 lakhs of tribal money through a Chit Fund Company during 1992-98. This is period when Kalinganagar tribals first recieved compensation for their land in Kalinganagar.
7. Rabi Jarika's links with extreme left wing elements. This has also been confirmed by Rabi Jarika's mother-in-Law Mrs Sabita Jamuda's Press Statement in 2008.

The above are some of the reasons for which Rabi Jarika do not want the agitation at Kalinganagar to continue even of the general tribals do not want the agitation.
