

APPEAL FROM WOMEN COMMUNITY LEADERS OF KALINGANAGAR

Honorable Governor

Orissa

Respected Sir,

We the leaders of 37 women SHGs of villages of Kalinganagar (Jajpur district) are very much worried about the violence unleashed by the meager supporters of bistapana birodhi mancha with the help of external activists and pseudo leaders. These people have created a reign of terror in Kalinganagar locality in which the women members of the community are the worst affected.

Industrialization in Kalinganagar has substantially improved the socio-economic standing of women in the society apart from making us economically independent. This industrialization process is helping our rural women community to grow from the closet of kitchen to frontline skilled managers and supervisors. In addition several alternate livelihood opportunities have been created for us. Now our children and ourselves have access to better health care, better education and better infrastructure facilities which was a dream in Kalinganagar about five years back.

But since last 4 to 5 years some handful of supporters under the grab of bistapana birodhi mancha are not allowing development to come in full flow and are creating deliberate hurdles against industrialization. In the process they have also beaten up and molested the people who have opposed them. In this type of violence, ladies are worst affected. Some of the examples are molestation of Basanti Badra and loss of eye of Parbati Rana. There are more than 50 such examples by the attack on women by these miscreants. It is a matter of great surprise that the SO CALLED ACTIVISTS WITH THE HELP OF SOME PSEUDO LEADERS have closed their eyes, ears and mouth to such heinous crimes committed by Birodhi Mancha.

We urge your urgent direction to the government to stop the heinous crimes committed by the supporters of bistapana birodhi mancha particularly on the women community and also advice severe action against their sympathizing leaders and activists

Yours truly
